**СОВЕТЫ
РОДИТЕЛЯМ**

И не жалею заболела,
И решила не трудиться,
Не забуду, и в самом деле,
Моя скорая помощь пришла.
А когда вы придете, друзья,
Чужие вы все будете,
И не признают вас врачи,
И не признают вас родители,
И вы снова вы в тюрьме.

ИНФОРМАЦИЯ

TRAVELER'S HIGHLIGHTS

Stargazing. The 100-foot-long telescope in the observatory dome, located on the summit of Mt. Wilson, is the largest in the world. It was built in 1908 and is still in use today.

Wildlife. The park is home to a variety of animals, including bighorn sheep, mountain lions, and golden eagles. The park also has a large collection of native plants and animals.

History. The park has a rich history, with many of its features dating back to the early 20th century. The park was established in 1908 and has since become a popular destination for visitors.

Scenic Views. The park offers some of the most spectacular views in the world, including the San Gabriel Mountains and the San Gabriel Valley. The views are especially beautiful during the fall and winter months.

Recreation. The park offers a variety of recreational activities, including hiking, camping, and fishing. There are also several trails and picnic areas throughout the park.

Visitor Center. The park has a large visitor center located on the main road. The center has a variety of exhibits and information about the park and its history.

Restrooms. There are several restrooms located throughout the park, including one near the visitor center and another near the observatory.

Parking. There is a large parking lot located near the visitor center. The lot is free of charge and is open to all visitors.

Admission. There is no admission fee to enter the park. However, there is a fee for parking in the lot near the observatory.

Hours. The park is open to visitors from dawn to dusk. The observatory is open to visitors from 9:00 a.m. to 5:00 p.m.

Map. A map of the park is available at the visitor center. The map shows the main road, the observatory, and the various trails and picnic areas.

Summary. The San Gabriel Mountains National Monument is a beautiful and historic park. It offers a variety of recreational activities and scenic views. The park is a great destination for visitors who want to enjoy the outdoors and learn about the history of the area.
